THE MEETINGROOM

A meeting room with maybe the best view of the roofs of Copenhagen. A unique and inspiring set up for both serious and small decisions – with a relaxed and informal atmosphere. In addition to the conference, the hotel's lounges can be used for breaks and before dinner. Furthermore it is possible to combine connecting hotel rooms to a private apartment.

THE LUNCH

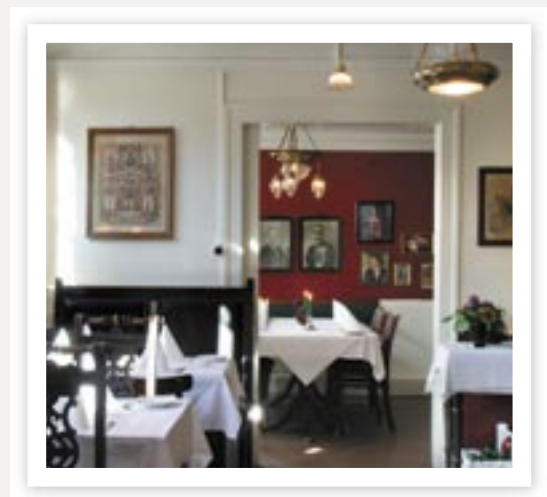

The lunch is served by Tivolihallen, a lunch restaurant offering generously prepared, traditional Danish open-faced sandwiches (smørrebrød) – these are available within the restaurant, directly at your meeting facility, or (during the Summer) in the cosy and peaceful setting of our cobblestone inner yard.

THE FACILITIES

The meeting room is equipped with standard AV-equipment, such as overhead, LCD-projector, flip chart, white board and high-speed internet. Accommodation for up to 12 people.

At the next page, you will find our standard meeting packages, but if you want something special, we will be delighted to make the arrangement for you.
